

D & A contracted to keep Darden headquarters' windows clean

Longwood, Fla., January 18, 2010 — D & A Building Services Inc. has secured a contract from Darden Restaurants (NYSE:DRI) to provide window cleaning for the more than 140,000 square feet of glass curtain wall cladding the exterior of the restaurant company's new headquarters building. A data center also located on the restaurant company's 57-acre Orlando campus is included in D & A's scope of services. The windows of both building will be cleaned periodically according to the terms of the contract.
