

D & A Building Services Completes Landscape Upgrades at Hospital

LONGWOOD, Fla., January 5, 2011 —The landscape division of D & A Building Services Inc. has completed its contract with Health Central in Ocoee, Florida, to provide landscape enhancements throughout the 80-acre medical center campus including new plant material, new sod and the installation of mulch. The facility maintenance also has a contract with the hospital for window washing, pressure cleaning and ongoing grounds upkeep.
